Sir,

Grant to the High School at Chennarayapatna by the Municipality

I have the honor to state that a private High School has been opened at Chennarayapatna and it is working since three years with the aid of the public The Secretary of the High School having requested the Municipality for financial help the Municipal Council agreed in their resolution dated 20-10-45 to pay a monthly grant of ₹50/- per month The Director of Public Instruction was consulted about the working of the school and the need for help He intimated that on inspection of the school by the Deputy Director it was found to be lacking in trained staff and a suitable building for the school and that temporary recognition has been granted for the year 45-46 The District Board of Hassan had agreed to pay an annuale contribution of ₹ 1000/- to this school for a period of three years but the Government directed in their letter No L 6756/L B 8-45-12 dated 16-1-1946 that this proposal cannot be sanctioned in view of the unsound financial condition of the Board Chennarayapatna is a minor Municipality with an annual normal income of ₹16420/- against an expenditure of ₹12737/- and the Municipal Council have not taken up important Town Improvement works for want of funds and they are not in a position to provide adequate funds to carry out their obligatory duties satisfactorily In view of these circumstances no orders were passed re the grant to the High School by the Municipality

However the President was requested to report whether any grant has been paid to this High School He has reported on 28-2-46 that a sum of ₹250/- hasbeen paid during the year 46-47 I request that since the amount has already been paid the action of the Municipal Council may be approved A copy of resolution is enclosed

I have the honor to be,
Sir,
Your most obedient servant,
